MARRIAGE GUIDANCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.MARRIAGE GUIDANCE is an attempt to present those facts concerning marriage and family life that should be known by all those who are planning some day to enter the state of matrimony. It is intended to serve principally, though not exclusively, as a textbook. Students in the senior and junior years of college would perhaps derive more benefit from the use of this work than would freshmen and sophomores, for the former will, for the most part, marry sooner, and consequently they may be expected to take greater interest in an analysis of the obligations and the burdens of marriage. Members of adult study clubs who have been denied the advantages of a Catholic college education would undoubtedly find it profitable to discuss the many important topics which are touched upon in these pages. In the first of its three sections MARRIAGE GUIDANCE treats of the remote preparation for marriage. Some of the points which are studied in this section are understanding the opposite sex, the best age at which to marry, fitness to marry, parental approbation, courtship and its dangers, the happiness which children bring to a home, the means to ensure a lasting marriage, and authority in the home. In the second section those points are examined which will be of immediate concern to the couple when they present themselves to their pastor to arrange for the marriage. They will at that time have to attend to such details as procuring their baptismal certificates and the marriage license and choosing two witnesses for the wedding. Although the young man and the young woman may in the past have studied the matter carefully, they...
