Anger, hatred, loathing and all the negative effects of living out there in the world confront and confound all of us. They can make our lives miserable, or worse. Anger will lead even the coolest among us to making really bad decisions, into dangerous situations and even to consequences that can take years to get back under control. But the science of anger management is advanced, it s real and it s available now. This book is designed to provide: Comprehensive understanding of the sources, effects and consequences of mishandled anger Immediate and practical steps to relief, treatment and management, with no sacrifices A thorough guide to integrating and better understanding all of the emotions Care and counseling for life partners, family members - and the people around them A clear path to healing, from abuse, loss and failure, be it perceived or in earnest. Anger management techniques, courses and classes all lead back to individual responsibility. Healing from anger starts there too. Yet often, those suffering the most from mismanaged anger will...
