Brand New Book ***** Print on Demand *****.While bands such as Switchfoot and Jars of Clay are household names, the artists who paved the way for their success by first introducing modern rock to Christian music are all but forgotten by the very industry they created. Now, they are telling their story from the beginning to the present day. This book isn t about where are they now, but who are they now as with frank and sometimes shocking openness the ones who went before talk about their lives and times. a time that is not yet passed.
