By Lee Goldberg

Brand New Book ***** Print on Demand *****.Los Angeles cop John Tidal Wave McGrave is an unstoppable force of nature who always gets his man, even if it means laying waste to everything around him, including his own career, which is exactly what happens in his pursuit of Sebastian Richter, the ruthless leader of an international gang of violent thieves. When Richter flees to Berlin, McGrave chases after him, even though the cop doesn't know the language, the laws, or the culture. Hold on tight for a wild, rollicking, action-adventure novella that captures all of the fun, excitement and pure escapist pleasure of the Dirty Harry, Lethal Weapon and Die Hard movies, with the humor, sharp dialogue and inventiveness that you've come to expect from Lee Goldberg, bestselling author of The Walk, Watch Me Die, The Dead Man, and fifteen hilarious Adrian Monk mysteries. McGrave is guaranteed to leave you breathless, and with a big smile on your face. CRITICAL...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
