Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

THE GLACIER GALLOWES

TouchWood Editions. Paperback. Book Condition: new. BRAND NEW, The Glacier Gallows, Stephen Legault, Tragedy strikes during an expedition through Waterton-Glacier International Peace Park. At the base of a windswept ridge that forms the border between Canada and the United States, Cole Blackwater finds the body of his business partner and former rival Brian Marriott, with a bullet hole in his head. Cole's long history of violence and his antagonistic past with the deceased put him in the spotlight of the murder investigation. The fourth Cole Blackwater Mystery, The Glacier Gallows is a rough-edged, fast-paced mystery that will catapult the reader across North America, from Canada's Parliament Hill to Alberta's Porcupine Hills to Montana's Blackfoot Indian Reservation. Cole, his brother Walter, and reporter Nancy Webber, must race against time to learn who really wanted Brian Marriott dead and why, before Cole himself ends up in the gallows.
