The Sun is God

By Adrian McKinty

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Sun is God, Adrian McKinty, It is 1906 and Will Prior is in self-imposed exile on a remote South Pacific island, working a small, and failing, plantation. He should never have told anyone about his previous existence as a military foot policeman in the Boer War, but a man needs friends, even if they are as stuffy and, well, German, as Hauptmann Kessler, the local government representative. So it is that Kessler approaches Will one hot afternoon, with a request for his help with a problem on a neighbouring island, inhabited by a reclusive, cultish group of European 'cocovores', who believe that sun worship and eating only coconuts will bring them eternal life. Unfortunately, one of their number has died in suspicious circumstances, and Kessler has been tasked with uncovering the real reason for his demise. So along with a 'lady traveller', Bessie Pullen-Burry, who is foisted on them by the archipelago's eccentric owner, they travel to the island of Kabakon, to find out what is really going on.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
