

Conference Spray Drying '01 and Related Processes 08th to 10th of October 2001 Universität Dortmund Proceedings

Filesize: 6.4 MB

Reviews

Extensive information for publication fanatics. We have go through and that i am confident that i am going to likely to read through once more again in the foreseeable future. I am just very happy to inform you that here is the very best publication i have got go through in my individual lifestyle and might be he greatest ebook for ever.

CONFERENCE SPRAY DRYING '01 AND RELATED PROCESSES 08TH TO 10TH OF OCTOBER 2001 UNIVERSITÄT DORTMUND PROCEEDINGS

[DOWNLOAD](#)

Shaker Verlag Jan 2002, 2002. Taschenbuch. Book Condition: Neu. 210x146x15 mm. Neuware - The chair of mechanical process engineering of the University in Dortmund invited to the symposium 'Spray Drying '01' to treat the various applications, techniques, and modern developments concerning spray drying and related processes. Objectives of the conference Spray dryers are used in industry in various applications to produce solid particles from liquid feeds such as suspensions, solutions, or even melts. In recent years the basic knowledge in describing and modelling of spray towers has significantly increased. Improvements on spraying systems and air flow distributors contribute to better performance of the process. It was the objective of the conference to exchange information on the following fundamental topics: Spraying and formation of liquid particles, Heat and mass transfer between gas and particles, Transition to the solid state and particle morphology, Agglomeration of fine particles. Depending on the customer requirements different particle sizes and specifications are desirable. The operation parameters therefore vary over wide ranges. The meeting also had to deal with operational conditions such as Co or countercurrent flow Heat recovery Secondary drying and agglomeration Dust removal and waste gas treatment Product separation and discharge Process and moisture control. Resume of the conference The conference ' Spray Drying' was held in Dortmund from October 8 to 10. In total 39 participants from outside Dortmund and about 8 participants from the university attended this workshop. After the last session, a questionnaire was collected. The evaluation found the majority would suggest to have another meeting within 2 years. For those who intend to give a lecture in 2003, there is a large catalogue of issues to be covered in the future. 160 pp. Englisch.
