LOVE IS NOT AN EMOTION

Times Group Books, New Delhi, India, 2013. Softcover. Book Condition: New. First Edition. In the book 'Love is not an Emotion', Sri Sri Ravi Shankar has given a completely different perspective on the phenomenon known as love. His words, like 'love is the only thing that you cannot think about, if you think, it ceases to be love, when thinking stops, love begins', have given love a whole new meaning and depth. The author emphasizes that love is not an emotion, not a feeling, not the sudden quickening of the heart on seeing the loved one, not something we fall in and out of and yet it is all of this and much more. The book explores love like never before right from its origins to its forms to our thirst for it, our response to it and more. The book will enlighten the reader's mind and show them a selfless way to love. At the end of the book, one will go through beautiful quotes, from Sri Sris wisdom, which have larger than life meanings. This book comes with CD. Printed Pages: 168.
