Spirituality and the Healthy Mind: Science, Therapy, and the Need for Personal Meaning (Hardback)

By Professor of Psychiatry and Director of the Division of Alcoholism and Drug Abuse Marc Galanter MD

Oxford University Press Inc, United States, 2005. Hardback. Book Condition: New. 234 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Spirituality has emerged as a prominent theme in contemporary culture. It is seen in issues as diverse as Eastern philosophies and religious awakenings; its psychological impact is apparent in alternative medicine, Alcoholics Anonymous, and meditation. In their own ways, each of these has helped people get relief from the problems psychiatrists often treat. But the mental health profession has generally ignored these issues, focusing on specific target symptoms, from anxiety to heavy drinking. Their efforts rely increasingly on medications and brief therapies as they succumb to the chilling influence of managed care. This raises an important question: Can the spiritual and professional, two perspectives that seem different, be reconciled? This book is designed to provide an answer to this question. It draws on recent findings in psychology, neuroscience, and innovative therapies to understand how people in America and worldwide express their spiritual needs. It then shows how the mentally ill, substance abusers, and people troubled by a sense that something is missing in their lives can be helped by developing a sense of personal meaning,...
